Rothwell Family Practice is a mixed billing clinic offering private and bulk billing consultations. The following exceptions apply whereby patients may be bulk billed on a weekday – this is where the GP accepts the Medicare rebate as whole payment for service instead of the full private fee.

- Patients 65 years old and over with a pension card (subject to doctor's discretion)
- Children under 16 years may be bulk billed for standard consultations on a weekday
- DVA Gold Card holders may be bulk billed on a weekday (DVA White Card holders will pay except for condition specific to white card)
- Aboriginal & Torres Straits Islanders on pension card
- Scheduled Health Assessment & Care Plans
- Regular Injections for Mental Health Conditions

* All phone appointments are privately billed. Full payment will be taken at the time of the consultation. Methods of payment include cash and EFTPOS.
