Rothwell Family Practice is a mixed billing clinic offering private and bulk billing consultations. The following private billing exceptions apply whereby patients may be bulk billed on a weekday for a face to face consultation – this is where the GP accepts the Medicare rebate as whole payment for service instead of the full private fee.

- Patients 65 years old and over with a pension card for face to face consultations (subject to doctor's discretion)
- Children under 16 years may be bulk billed for standard face to face consultations
- DVA Gold Card holders may be bulk billed for face to face consultations (DVA White Card holders will pay for face to face consults except for condition specific to white card)
- Scheduled Health Assessment & Care Plans face to face consultations
- Regular Injections for Mental Health Conditions

* All phone appointments are privately billed, no exceptions. Full payment will be taken at the time of the consultation. Methods of payment include cash, EFTPOS and HotDoc Payments.
